Graduation Design or Thesis

Title	Research on Dynamic Characteristics of Helical Gear Based on ALE Method	Credit	10	Grade	91

Seal of the University	Archive Director Wang Bindin

Producer: Liu Bishan Tabulation Date: Jul. 5, 2019

Explanatory Note:
1.The exchange between the hundred-mark system、the "A/B/C/D/F" grading system and the point system should be in accordance with the attached chart in chinese academic record.
2.The course-type are divided into four classes: Basic、Required、Elective & Optional.
